### Medium length legs give maximum comfort and style

COMFORT and medium length legs in a union suit cannot be questioned. This feature in the "Harvard Mills" gives that glorious feeling of leg ease. Your sock top fits smoothly over the elastic cuff on the leg of the garment. Silk hosiery can be worn without that unsightly ridge-or showing through of the underwear. This means comfort and a neat, trim appearance.

"HARVARD MILLS" (Hand Finished)

Union Suits for Men "A GENTLEMAN'S GARMENT"

Here is really "a gentleman's garment." You can trust it to fit you like a tailor made suit because it is made on the clothing principle. From the neck-band down, "Harvard Mills" embodies every practical undergarment feature ever perfected. Ask your men's furnisher to fit you.
